

**REMARKS**

The Examiner has required the applicants to elect one of two groups of inventions for initial prosecution as follows:

Group I: Claims 1-20, drawn to an adjustment device with at least one control device debug interface, at least one address list, and at least one data list, classified in class 717, subclass 129 – Using breakpoint (including breakpoint/address table/list).

Group II: Claims 21-26, drawn to a process bypassing at least one control device function by a corresponding bypassing function on a simulation unit, classified in class 717, subclass 134 – Including simulation.

Applicants hereby elect to prosecute claims directed to the invention of Group I and comprising claims 1-20. Applicants reserve the right to also pursue claims directed to the non-elected inventions as well as any other inventions supported by the subject application.

Substantive examination on the merits and allowance of all pending claims is respectfully requested.

**AUTHORIZATION**

The Commission is hereby authorized to charge any additional fees which may be required for this amendment, or credit any overpayment to Deposit Account No. 15-0665, Order No. 020301-004007.

Respectfully submitted,
